Sir,

Subject - Continuance of the Temporary staff for the
supervision of Fuel supply in the City

Adverting to the Government Order No L 16660-2/Ml.11-47-96
dated the 8th May 1948 sanctioning the continuance of the fuel
staff till the end of June 1948, I have the honour to state
that the Council, while recording the above Government Order
resolved that the establishment be continued for a further
period of three months commencing from 1st July 1948 and in
the meanwhile the necessity for further continuance or other-
wise of the establishment and other questions and a note
connected with the fuel supply be examined in detail was
placed before the Council by Fuel Sub Committee (vide Resolution
No 1085/30-6-48 - copy enclosed Accordingly the establish-
ment was continued up to the end of September 1948 It took
sometime for the Committee to send its report The subject
came up for consideration before the ^{Committee} Council on 15-12-1948 and
it was resolved that the same staff be continued till the
end of January 1949 and that the note of the sub-committee
be further examined by the Commissioner and the same brought
up with a view to have the minimum staff without reducing
the efficiency of the work Accordingly a further note was
placed by the Municipal Commissioner before the Fuel Committee
for the continuance of the staff till the end of December 1949
with certain modifications A copy of the note is enclosed for
favour of reference It will be seen therefrom that instead of
having a Range Officer and one fuel Inspector whose pay is now

being met by the Food Supplies Department, the post of the Range Officer is proposed to ^{be} abolished and two Fuel Inspectors appointed instead, on Rs 40 plus Rs 5/- CA plus DA and that one clerk on Rs.30/- plus DA, two peons on Rs.15/- plus DA and the allowance of Rs.20/- p m to the Octroi Superintendent Rs 5 to the Head Clerk of the Octroi Office and of Rs.10/- to the Auditor be continued as usual. The reason for the modification is that the Range ^{Forest} Officer who was appointed mainly to look after the forest coupes that were allotted to the Fair Price Depots is no longer required to do this technical work as the Fuel Supply contractors themselves have been making their own arrangements with the Forest authorities regarding the allotment of coupes, and the inspection of the Fair Price Depots in the city could be attended to with greater efficiency by Fuel Inspectors and the expenditure that is now being incurred towards the salary of the Range Officer reduced. Similarly a clerk on Rs 30/- is proposed instead of a clerk on Rs.40/- This note was duly approved by the Fuel Committee and recommended to the Municipal Council who have approved of the same. The Council has further resolved that the entire cost of the establishment be borne by the Food Supplies Establishment, as the Municipality is not realising any lorry-hire charges now and as the work of fuel supplies has been undertaken by the Municipality on behalf of Government in the interest of the public. They have also approved of the continuance of the existing staff till the end of December 1949.

In enclosing copies of the resolutions of the ^{Committee and the} Council dated the 15th December 1948 and 642 and 671 dated the 14th Feb 1949 in this behalf, I request that orders of Government may kindly be

obtained for the following arrangements.-

City Municipal Office,
Mysore Dated 11-1-49,

Regarding the continuance of the establishment in connection with the Fuel supply.

At present the establishment consists of the following:-

1. Paid by the Food Supply Department.

1.	One Range Officer (lent by the Forest Department) on Rs. 70/- + D A 14 + C A 10 + D A 5/- Per mensum	109/-
2	One Fuel Inspector Rs 40/- + C A 5/- + D A 15/- =	60/-
	Total Rs	169/-

11 Paid out of lorry hire charges -

1	One Fuel Inspector on Rs- 40/- + C A 5/- D A 15/- P M	60/-
2.	One clerk on Rs 40/- + D A. 15/-	55/-
3.	Two peons on Rs 15/- + D A 12/- each	54/-
4	Allowance to the Octroi Superintendent P M	20/-
5.	do to the Head clerk of his office.	5/-
6	do to the Auditor	10/-
7.	do to the Senior Lorry Driver for inspection of lorries etc	10/-
	Total Rs	214/-

Grand total Rs 383/-

The fuel sub-committee recommended the reduction of the fuel staff immediately as there will be in future no hired lorries and there will be no amount of hire charges and hence that only the Ranger and one Fuel Inspector whose pay is met by Government may look after the work

The above recommendation, along with other recommendations was approved by the Municipal Council in their meeting held on 6-10-48.

The recommendation of the Committee is silent about the continuance or otherwise of other Fuel staff, whose pay is being met out of lorry hire charges. Hence a detailed report (flag A) explaining the circumstances under which the modified staff proposed as detailed below was placed before the Fuel Committee meeting held on 15th December 1948. It was resolved therein that the existing staff may be continued from 1-10-48 till the end of January 1949, pending re-examination of the whole question and a detailed note put up with a view to have the minimum establishment without reducing the efficiency of the work. This was placed before the council meeting dated 21st December 1948 and it has been deferred.

Modified proposal placed before the Fuel Committee on 15-11-48

1	Range Officer Rs 70/- + D A 14/- + C A. 10/- + D A 15 P.M.	109/-
	One Fuel Inspector Rs 40/- + D A 15/- + C A 5/- P M	60/-
	Total. Rs	169/-
11.	One clerk on Rs 30/- + D A 15/-	45/-
	Two peons on Rs 15/- + D A 12/-	54/-
	Allowance to the Octroi Superintendent at Rs 20/- P M	20/-
	do to the Head clerk of Octroi Office at Rs 5/- P M	5/-
	do to the Auditor at Rs 10/- P M	10/-
	Total	134/-
	Grand total Rs	303/-

The Range Officer was appointed mainly to look after the several Fuel Coupes etc., that were being allotted to the Municipal Fair Price Fuel Depot agents. Now there is no such work to be attended to by him, since the contractors themselves will have to make their own arrangements for coupes, etc.,. He is now attending to inspection of depots and other works relating to Fuel Supply, which was being attended to by the Fuel Inspectors and there is heavy work for one man and the Forest Ranger is not competent to discharge the duties satisfactorily. The Octroi Superintendent proposes the appointment of two Fuel Inspectors out of the Municipal staff and post them immediately for duty, and the Ranger sent back to the Forest Department, as he has no technical work to do in the Municipality. There will be a reduction in the cost of establishment under the pay of Ranger and also a peon proposed to be given to him.

Hence the following establishment is recommended

1	Two Fuel Inspectors on Rs 40/- + C A 5/- + D A.15 P M	Rs 120/-
	to be met from the Food supply department.	
11.	One clerk on Rs 30/- + D A 15/- P M	45/-
	Two peons on Rs. 15/- + D A 12/- P M	54/-
	Allowance to the Octroi Superintendent at Rs 20/- P M	20/-
	Allowance to the Head clerk of the Octroi Office Rs 5/- P M	5/-
	Allowance to the Auditor-ar Rs 10/- P M	10/-

		134/-

	Grand total	Rs 254/-

The pay of the Ranger and one Fuel Inspector is being met by the Government. The pay of two Fuel Inspector will have to be met out by the Government.

As regards the expenditure under item No 11, this may be met out of Lorry hire charges on hand, as hitherto pending final settlement of the question as to the agency to whom the charges are to be credited. There will be a savings of Rs 80/- per mensem or Rs 960/- per annum. The staff as modified above may be continued from 1-2-49 to the end of December 49 when the fuel situation may be reviewed and the question of continuing the staff or otherwise may be considered. This may be placed before the Fuel Committee for kind approval.

To

The Secretary to Government,

(Through the President, C M.C.Mysore).

Sir,

Subject - Continuance of Fuel staff for the supervision
of Fuel supplies in Mysore city and grant of allowance
to the Octroi Superintendent and to the head clerk
of Octroi Office at Rs. 20/- and Rs. 5/- respectively.

With reference to your letter No.L. 7528/50-51 dated 30-10-50 and subsequent reminders on the above subject, I write to state that the available particulars on the points (called for in your letter referred to above) 1) such as the number of ^{Officers and} officials ~~and~~ employed in this connection, since the inception of the scheme 2) the dates from which they are employed etc , have been worked out and enclosed in the annexed statement. But the statement is incomplete for want of important G O. copies quoted in the baraward. Most of the Government orders according sanction for continuance of their establishment from time to time since the inception of the scheme in this Municipality are not readily available in this office for working out full particulars on all the points raised in your letter under advertance. The original records were produced in courts in connection with the Civil suits filed against the defaulting fuel contractors and have not been received back. In this connection, I may add that the Assistant Secretary to Government Local Self Government Department and the Assistant Director of Food Supplies in Mysore, Bangalore were requested in this office letters No C3 P. 53/48-49 dated 14-7-52 to send copies of Government orders as per list. But so far no reply has been received yet. Efforts were also made to trace the Govern-

ment

Government Orders relating to this establishment in the office of the Deputy Commissioner (Food Department) Mysore District, Mysore and also in the office of the District Forest Officer Mysore Division, Mysore but of no success.

The pay and allowances of this establishment are held under objection by the Accountant General in Mysore, Bangalore, for want of sanction of Government and pressing reminders are being received.

In view of the above circumstances I request that the Government may kindly be moved to obtain sanction of the Government for the continuance of Fuel Supply establishment detailed in the margin from 1-1-1952 to 31-12-1952 and also approval of Government for the staff having been continued from 1-3-1949 to end of December 1951. Subject - Grant of allowance of Rs 20/- to the Octroi Superintendent and Rs 5/- to the Senior clerk of the Octroi Office for the additional work devolved on them for the transport of fuel in Mysore city

With reference to your letter No L. 12333 dated 10-3-47 requesting to furnish certain information on the above subject, I have the honour to state as follows -

1. Prior to April 46, the work relating to the distribution of petrol to the lorries were being attended by the Municipal Engineer and the work relating to the trips made by the several lorries were being attended to by the Senior clerk of the Octroi Office and no allowance has been granted for the purpose.

2. No separate establishment either whole time or part time was employed for the purpose.

* * * * *

3. No separate clerk or a part time clerk was employed for looking after the correspondence relating to this work in the Octroi Office. The work relating to the trips made by the lorries and other correspondence work relating to the issue of petrol coupons etc., has been entrusted to the Octroi Superintendent to whom the supervision work of Fuel supply also has been entrusted. The nature of the work which is being attended to by the Senior clerk of Octroi Office is quite different from that of the work in the Head Office and one clerk in the Head office cannot do the work of both that has to be done in different offices. The Octroi Office is quite separate and is located about a mile and a half from the Municipal Offices.

Instead of appointing a separate clerk in the Octroi Office to work under the Octroi Superintendent the work has been entrusted to an experienced clerk there with a small allowance.

As regards the work of the Octroi Superintendent, the General supervision work of the Fuel supply such as contractors, special staff etc, in the city has been entrusted to him vide resolution of the Fuel Sub Committee as I cannot myself attend to this work in addition to other heavy and more important work.

Hence the Fuel Sub Committee recommended the grant of allowance of Rs. 20/- to the Octroi Superintendent and Rs 5/- to the Senior clerk of the Octroi office.

In these circumstances I request you kindly to obtain the sanction of Government to the payment of allowances to the octroi Superintendent at Rs. 20/- and the Senior clerk of the Octroi office at Rs 5/- per mensem from 1-7-46 treating the same as Duty allowance for the additional duty devolved on them. The expenditure will be debited to Lorry hire charges.

Copy of letter No (F C R 1126) M6-F1 135/46-47 dated 5-4-47 from the President, City Municipal Council, Mysore to the Secretary to Government, Revenue Department, Bangalore

Subject.- Grant of allowance of Rs 20/- to the Octroi Superintendent and Rs 5/- to the Senior clerk of the Octroi Office - for the additional work devolved on them for the transport of fuel in Mysore City

With reference to your letter No 12333 dated 10-3-47 requesting to furnish certain information on the above subject, I have the honour to state as follows -

1) Prior to April 46, the work relating to the distribution of petrol to the lorries was being attended by the Municipal Engineer and the work relating to the trips made by the several lorries was being attended to by the Senior clerk of the Octroi Office and no allowance has been granted for the purpose.

2) No separate establishment either whole time or part time was employed for the purpose.

3) The receipts and expenditure on account of lorry hire charges for the last 3 years are as follows -

Year	Receipt	Expenditure.
1943-44	Rs 7030 0 0	~~10167~~ xx6xx0
From June 44)		
1944-45	13500 0 0	10167 6 0
1945-46	60257 0 9	47965 15 6
1946-47		
Up to end of Feb 47)	10785 0 0	3731 7 0
	-----	-----
Total	Rs 91572 0 9	61864 12 6
	-----	-----

This expenditure includes Rs 45320-4-6 being the cost of 7 chassis sold to the General contractors in 45-46.

4. The present pay of the Octroi Superintendent and the Senior clerk and the allowances they are receiving are as follows -

- 1 ~~xxxx~~ Octroi Superintendent. 1) Pay Rs 190/- in grade Rs 100-10-150-10-200.
2. Allowances 1) Conveyance allowance Rs 20/-
- 2) Allowance for supervision over the import of food grains Rs 20/-
2. Senior clerk 1 Pay Rs 36/- in grade Rs 25-1-40 and no allowances

5) No separate clerk or a part time clerk was employed for looking after the correspondence relating to this work in the Octroi Office. The work relating to the trips made by the lorries and other correspondence work relating to the issue of petrol coupons etc, has been entrusted to the Octroi Superintendent to whom the supervision work of fuel supply also has been entrusted. The nature of the work which is being attended to by the Senior clerk of the Octroi Office is quite different from the work in the Head Office and one clerk in the Head Office cannot do the work of that has to be done in different office. Octroi Office is quite separate and is located about a mile and a half from the Municipal Offices.

Instead of appointing a separate clerk in the Octroi Office to work under the Octroi Superintendent the work has been entrusted to an experienced clerk there with a small allowance.

As regards the work of the Octroi Superintendent, the General such as supervision work of the Fuel supply contractors, special staff etc, in the City has been entrusted to him vide resolution of the Fuel Sub-Committee, as I cannot myself attend to this work in addition to other heavy and more important work.

Hence the Fuel Sub-Committee recommended the grant of allowance of Rs 20/- to the Octroi Superintendent and Rs 5/- to the Senior clerk of the Octroi Office.

In these circumstances I request you kindly to obtain the sanction of Government to the payment of allowances to the Octroi Superintendent at Rs. 20/- and the senior clerk of the Octroi Office at Rs 5/- per mensem from 1-7-46 treating the same as duty allowance for the additional duty devolved on them. The expenditure will be debited to Lorry hire charges.
